## Representatives for the following quality products

**Xylem-Bell & Gossett** - centrifugal pumps, heat exchangers, specialty valves, hydronic specialties, package systems, and water boosters. [www.bellgossett.com/](http://www.bellgossett.com/)

**Xylem-Domestic** – boiler feed and condensate, industrial/clinical vacuum systems, variable and constant speed pumping systems. [www.bellgossett.com/](http://www.bellgossett.com/)

**Xylem-Hoffman Specialties** - steam reducing valves, temperature regulators, traps, strainers, and related specialties. [www.bellgossett.com/](http://www.bellgossett.com/)

**Xylem-McDonnell & Miller** - boiler controls, flow switches, and liquid level controls. [www.bellgossett.com/](http://www.bellgossett.com/)

**Airtherm** – Commercial hydronic fan coil units, blower coils, air handlers, vertical stack fan coils, cabinet unit heaters, unit heaters, convectors. [www.airthermhvac.com/](http://www.airthermhvac.com/)

**American Specialties** – architectural toilet accessories. <http://www.americanspecialties.com/>

**Aerco** – Condensing and fully modulating boilers, Smart plate Heater Package and Packaged Water Heaters. <http://www.aerco.com/>

**Barnes Pumps** - submersible, self-priming, diaphragm, and centrifugal pumps, basins, including Crown self – priming pumps. [www.cranepumps.com/our-brands/barnes](http://www.cranepumps.com/our-brands/barnes)

**Bock** - Gas, Electric, Oil, Indirect, Solar/Geothermal Water Heaters, Standard and ASME Storage Tanks. [www.bockwaterheaters.com](http://www.bockwaterheaters.com)

**Cemline** – water heaters, hot water storage tanks, tube bundles, electric water heaters, unfired steam generators. <http://www.cemline.com/>

**Cla-Val** - automatic flow control, pressure regulating valves, and back-flow preventers. <http://www.cla-val.com/>

**Danfoss Drives** – Adjustable Frequency Drives for HVAC systems. <https://www.danfoss.com/en-us/about-danfoss/our-businesses/drives/>

**Danfoss Inc.** - self-contained thermostatic radiator valves, solenoid valves, mixing valves, pressure differential bypass valves, and thermostats. <http://www.danfoss.com>

**Fabtek** – **Stainless Steel** Boiler Systems Including: Condensate Units, Boiler Feed Systems, Pumps & Accessories. <https://fabtekaero.com/>

**General Partitions** - toilet, shower compartments and urinal screens <http://generalpartitions.com/>

**Holby Valves** – thermostatic valves, automatic controls. <http://www.holby.com/>

**JL Industries** – fire extinguishers, cabinets. <http://www.activarcpg.com/jl-industries/>

**Karp Associates** – access doors, roof & floor hatches. <http://karpinc.com/>

**Kinetics** – noise & vibration control systems, Inertia Bases. <http://www.kineticsnoise.com/>

**Lync** - Domestic Hot Water Heat Pump Solutions and Water Technologies. <http://www.lyncbywatts.com/>

**Metraflex** - flexible connectors, expansion joints, pipe guides, silent check valves, air vents, butterfly valves & strainers. <http://www.metraflex.com/>

**Panasonic** – Mini Split Heat Pumps [www.na.panasonic.com](http://www.na.panasonic.com)

**PVI** - domestic water heaters (steam or gas fired) [www.pvi.com](http://www.pvi.com)

**Schott Scientific Glass** - “Kimax” acid drain systems, “Knight-ware” ceramic. <http://www.us.schott.com>

**Tekmar** - electronic Microprocessor based controls for set point, boiler reset. [www.tekmarcontrols.com](http://www.tekmarcontrols.com)

**Vertiflo** - industrial pumps, vertical, cantilever wet pit sumps, & horizontal end suction pumps.

[www.vertiflopump.com](http://www.vertiflopump.com)

**Viessman** – Residential gas condensing boilers, boiler rack systems and ASME tanks

[www.viessmann-us.com](http://www.viessmann-us.com)

**Vulcan** – commercial & residential hydronic finned tube, electric baseboard, cabinet unit heaters, unit heaters, convectors. <http://www.vulcanrad.com/>

**Watts Radiant** – Hydronic and electric heating and snow melting systems, radiant heating.

<http://www.wattsradiant.com/>

**Weiss Instruments** – Gauges, Thermometers, Test Plugs. <http://www.weissinstruments.com/>

**Wessels** – Expansion & Custom storage tanks. <http://westank.com/>
